BGD352  
BGA352

**Product Line:** PCSG (Personal Connectivity Solutions Group)

**Description of Change:** AMD is changing the packing method & materials at Test subcontractor. See attached file for illustration. The tray cover will no longer be used. It is being replaced with a “bubble bag”.

**Reason for Change:** To be consistent with the current AMD packing method used on all other products at other test sites.

**Application Impact:** Different materials to recycle. No change to device or to device specifications. Material shipped after 2/15/05 may be of either packing method, depending on AMD inventory levels. Different packing methods may be used in same shipment.

**Samples Available Date:** January 31, 2005

**Production Shipment Date:** February 15, 2005
